

image_tools::Tool

```
classDiagram
    class image_tools__ToolEraser["image_tools::ToolEraser"]
    class image_tools__Tool["image_tools::Tool"]
    image_tools__ToolEraser --|> image_tools__Tool
```

The diagram illustrates a class hierarchy. At the bottom is a gray-shaded box labeled 'image_tools::ToolEraser'. A blue arrow points vertically upwards from this box to a white box at the top labeled 'image_tools::Tool'. This represents that 'image_tools::ToolEraser' inherits from 'image_tools::Tool'.
